Dear Parents,

ST. MARTIN'S DAY SERVICE – SUNDAY, NOVEMBER 6TH

On Sunday, November 6th all students, Grades K - 8, will be participating in the 10:00am worship service in celebration of St. Martin's Day. The service is designed to be family friendly and should last no longer than one hour. Instead of the traditional sermon the children of our school will be featured as they offer a musical presentation weaving in facts from the life of St. Martin. We have spent many weeks preparing for this special day. The success of our performance depends on as many students participating as are able.

To help with the planning of the day, can you please return the bottom half of this form that acknowledges that you are aware of St. Martin's day and whether or not your student will be able to attend. After the service the Church will be hosting a complimentary continental breakfast which you are invited to stay for.

We look forward to seeing many of our school families at this very special Church service.

Kind regards,
Nathalie Haller
Music/Drama Teacher
